

Dear Chairman Powell:

I am a registered voter, concerned citizen, and XM satellite radio subscriber.
I am writing to respectfully request that FCC oppose petition 04-160.

I listen to XM's local traffic and weather stations each weekday. These stations help make my commute easier and faster. I pay for my XM service, and I do not want the National Association of Broadcasters to limit my ability to hear localized programming via my XM radio.

I ask to you reject 04-160. Thank you.
